Refrain:

You're not alone, we are one body  
You're not alone, we stand with you  
You're not alone, your time of suffering is our suffering too  
And I know the day is coming when we will be rejoicing anew

1. Many members in this body that we know  
Some are great and some are small  
Eyes and ears and hands and just a little toe  
One God who activates them all... (refrain)
2. One body, Spirit-formed and Spirit-fed  
Men and women\*, rich and poor  
A banquet where the least sit at the head  
One body broken for the world... (refrain)
3. Look close, you'll see this body's not a pretty sight  
Wounds and blemishes and sores\*\*  
But with the saints of every place and point in time  
We are the body of our Lord... oh Lord... (final refrain)

Final Refrain:

We're not alone, we are one body  
We're not alone, we wait for you  
We're not alone, our time of suffering is your suffering too  
And I know the day is coming, I know the day is coming,  
Yes I know the day is coming when we will be rejoicing anew
