

Ministry Opportunity
Full time pastoral role
Community Mennonite Fellowship (Drayton)
(1.0 FTE)

Community Mennonite Fellowship is the fruit of two churches merging together, located in the rural village of Drayton. We are a friendly and welcoming family where genuine relationships are valued.

We are made up of folks from all walks of life; those who have grown up in the Mennonite Church as well as those who are just beginning their walk with Christ, but who have been drawn to the core beliefs of the Mennonite faith and our strong sense of community. Our faith, mission and priorities are best described in our Mission Statement:

“Enthusiastic followers of Jesus Christ, spreading His goodness in the community and the world.”

We are looking for a pastor who is eager to join our church family. We believe the pastor's role is to encourage, inspire and mentor the members of the congregation. Our new pastor will be gifted in:

Leadership & Administration - demonstrates strong leadership ability able to facilitate the development of vision, mission and goals for our congregation.

Pastoral Care - models Jesus' example of a shepherd who cares deeply for people and shares a passion for building authentic relationships.

Preaching - engages church family in meaningful, thought-provoking sermons that inspire and challenge us to live out the gospel in our community.

Community Mennonite Fellowship invites the potential pastoral candidate into a full time commitment to our church family where we hope to build together an authentic relationship in which we will discover our full potential as God's Spirit directs.
